

Brewer Vacancy :

Who are we:

WhiteFrontier is an ambitious Swiss craft brewery equipped with state-of-the-art technologies and a small, passionate team. WhiteFrontier is based in Martigny, in the former Orsat cellars, a location chosen to be as close as possible to the mountains - its inspiration. For the team, brewing beer means having fun, exploring, being creative and scientific while thinking outside the box, but always and only with mastery. Working at their best every day to grow into a sustainable international business, they aim to brew the best beers they can, while maintaining a mindset of adventure and exploration. Their mission is to allow the public to discover new tastes and experiences. "Onto Your Next Adventure" is the motto that inspires the team and pushes them to inspire others.

WhiteFrontier contributes to the craft beer market in Switzerland, but also beyond its borders. Since 2016, the brewery has launched more than 100 different beers, a product range that is permanently being renewed.

What we are looking for:

We are currently looking for new brewer to join our team in Martigny, Switzerland. We prefer an all rounder that is able to confidently switch between all aspects of production, cellaring and packaging and warehousing. The ideal candidate will have between 2 and 3 years of professional experience in brewing, packaging and/or cellaring at a brewery with a production volume of at least 3500HL/year. Experience with o-beer is a big plus.

Key deliverables:

- Warehousing, preparation and organization of raw materials and finished product
- Wort production on 3 vessel, 30hl Braukon brewhouse
- Proactive monitoring tracking, and interpretation of QC parameters
- CIP-ing tanks, hoses, centrifuge etc.
- Dryhopping
- Centrifuging
- Preparation of bright beer for packaging
- Filling and blending barrels
- Packaging (cans, bottles, kegs)
- Diligent record keeping
- Maintenance of clean, tidy and safe cellaring, warehousing, packaging and brewing areas.
- conduct all activities in strict adherence to internal and external regulations related to quality and compliance standards.

Who are you?

- A confident communicator and a strong team player.
- a technical background, preferably within brewing or packaging technology.
- an adaptable, agile & proactive problem solver
- Forklift lift license & experience with o-beer are big assets
- French language skills are desirable, but not essential

What to expect:

- A competitive salary
- 4 weeks of annual holiday
- An opportunity to be involved with a new, energized team
- An opportunity to put your stamp on a growing team and business
- A beautiful facility at a brewery with big ambitions, located in the heart of the swiss alps

We are looking to fill this roll on a full-time, permanent basis. The salary is commensurate on experience based on a 42 hour working week.
