

**JOB TITLE:** Packaging Lead/Canning Line Operator  
**LOCATION:** Brewery, Alexandria, VA  
**REPORTS TO:** Shift Lead - Brewing  
**FLSA POSITION TYPE:** Full Time, Hourly Non-Exempt

**POSITION SUMMARY:**

Teamwork, integrity, and a passion for producing high quality beer is what drives our company's success. We are seeking a motivated and well organized professional whose dedication and initiative will help propel the company to achieve its most important goals.

This position calls for a dynamic, motivated individual responsible for the setup, operation, and cleanup of our bottling and canning lines, and aid in general brewhouse operations.

**DUTIES AND RESPONSIBILITIES:**

Set up, operate, and clean bottling and canning lines

Package finished beer into kegs

Operate keg washer

Assist brewers and cellar crew in maintaining a clean workspace

Assist Safety Officer and Facility Manager in various brewhouse maintenance tasks and facility improvement projects

Warehousing packaging materials and finished product

Record quality control data for each packaging run

Other projects as assigned

Cross-training on various production support roles as needed

**QUALIFICATIONS & ABILITIES:**

Ability to lift 55lbs, and slide 160lbs kegs throughout the course of a workday

Ability to stand for prolonged amount of time

Forklift experience preferred (Brewery will provide training)

Packaging line work experience preferred.

Mechanically minded

Must be able to safely and efficiently work in a busy and close quartered environment

Organized with great attention to detail; Adhere to brewery's strict QC practices

Ability to safely handle hazardous chemicals in accordance with strict safety protocols

A passion for beer!
